POWER SCHOLARS OVERVIEW

Our 'Power Scholar' program serves students from Transitional Kinder through Fifth grade. Our goal is to keep students on the path to academic success.

At the Y, we believe that all scholars deserve the opportunity to discover who they are and what they can achieve. We are here to build self-confidence, teach character and leadership values, inspire creative minds and support your family in raising tomorrow's trailblazers.

$$a^2 + b^2 = c^2$$
